

NUHS – Nursing Home Span

This screen is used for Medicaid recipients who live in a nursing home or inpatient psychiatric care facility. For participants in the MA-IA and MA-ID subtypes, the screen appears automatically after the Living Arrangement code 'NH' is entered on MADA. For qualifying participants in other subtypes, NUHS is accessed via the NEXT field.

Mandatory Fields ([F1] indicates Online Help is available.)

START

For the participant receiving benefits, the start date of his/her residence in the nursing home or other facility is entered.

END

In this field, the worker enters either 999999 (if the participant is currently living in the facility) or the actual date on which Medicaid payments to this facility ended.

CODE [F1]

The nursing home's unique 10-digit NPI code is entered here. This enables the system to calculate the amount owed to the facility per month, based on the Medicaid daily rate stored in TEAMS for that code. Codes are listed in Online Help, and the NUHR table also displays codes and daily rates (see separate Process Guide, "Viewing TEAMS Tables").

Display Fields

CASE NO

The TEAMS case number is displayed.

CASE NAME

The case name (Primary Information person) is displayed.

MONTH

This indicates the benefit month that was used to access NUHS. All information shown on the screen applies only to that benefit month.

NAME

The first five letters of the first name and the last initial are displayed.

RL

The Relationship code that was entered on the APRE or SEPA screen is displayed. This code indicates the person's relationship to the PI (Primary Information person).

PS

This Program Subtype field displays the Medicaid subtype in which the participant is enrolled.

Navigation Fields and Fkeys

MORE CLIENTS	This field displays N if all household members are listed on the screen, or Y if more members are shown on the next page. The user can change Y to N (except at initial entry) to bypass the second page or to use the NEXT- -> field.
NEXT- ->	This field allows the user to access the next desired screen by typing the screen name.
F2	The F2 key returns to the last TEAMS <i>menu</i> that was accessed.
F3	The F3 key returns to the SYSE (System Selection) menu.
F10	The F10 key accesses the CANO (Case Notes) screen.
F12	The F12 key clears any new data typed on the screen, as long as Enter has not been pressed.
